Roommate/ Co-Tenant Guidelines

Please be advised that Micozzi Management, Inc. does not get involved in individual roommate issues. Micozzi Management, Inc. is not bound by any agreements made by and between the co-tenants. All tenants (guarantors) are collectively responsible for compliance with all the terms and conditions of the lease. Our concern is with the entire unit as a whole.

ROOMMATE GUIDELINES

When two or more people sign the same lease, they are considered co-tenants and share the same legal rights and responsibilities. If one co-tenant does not pay the rent, every ones tenancy is affected.

RENTAL PAYMENTS:

RENT IS DUE ON OR BEFORE THE 1ST OF EACH MONTH. You may submit monthly rental payments in multiple checks as long as the full monthly rent is paid. Each co-tenant is liable to Micozzi Management, Inc. for all of the rent. If one tenant does not pay their share of the rent, or moves out, the other tenants must still pay the full rent.

Co-tenants may divide the monthly rental payment equally or unequally. Although you may divide the monthly rent anyway you choose, the last month's rent, security deposit and key deposit (paid prior to occupancy) are all divided equally. Please keep this in mind when your lease term expires. All refunds are divided equally.

BREAKING THE LEASE:

If a co-tenant vacates prior to the expiration of the lease, Micozzi Management, Inc. has the option of evicting all tenants. Breaking the lease by even one tenant is a violation.

Micozzi Management, Inc. does NOT allow subletting. If a co-tenant must break the lease, the following terms and conditions must be met:

1. You must give as much notice as possible but must provide at least 30 days written notice of your intent to vacate, to both the co-tenants and Micozzi Management, Inc.
2. A. THE REMAINING TENANTS MAY FIND A REPLACEMENT CO-TENANT. No one is allowed to move in unless they have been approved by Micozzi

Management, Inc. In order to obtain approval, the applicant must schedule an appointment, come in to the office and submit the following:

A completed rental application. (We will process during the scheduled appointment). Must have identification.

If the new tenant is a student or does not comply on their own, we will require a parental/guardian guarantor. A completed guarantor application and guarantor form must be submitted.

Once approved the new co-tenant must pay a \$25.00 application/processing fee and their name will be added to the lease.

The portion of key deposit, last month's rent/and or security deposit must be paid to the tenant vacating. Micozzi Management, Inc. requires a letter from the tenant vacating stating all funds have been received. This letter must accompany your rental application.

B.THE REMAINING TENANT(S) MAY ACCEPT FULL RESPONSIBILITY FOR THE APARTMENT WITHOUT A REPLACEMENT. The remaining tenants will be responsible for payment of the total monthly rent. If a co-tenant vacates and does not pay their portion of the rent, it is the option of the remaining tenants to sue the co-tenant in small claims court for unpaid rent, damages, unpaid utilities and costs to find a replacement.

C.THE REMAINING TENANTS MAY CHOOSE TO VACATE. Micozzi Management must receive 30 days written notice of intent to vacate. The tenants are responsible for payment of the rent until such time as the apartment has been rented, or, the end of the term of the lease, whichever should occur first. In accordance with the terms of your lease, you are responsible for costs incurred to rent the apartment including but not limited to commission.

Allston

This radiant neighborhood is best known for its student population due to its proximity to many colleges and universities. In recent years, an influx of immigrants and young professionals has taken an increasingly active role in the neighborhood. This varied mix of people creates one of the most energetic and diverse populations in Boston. Harvard Avenue, Commonwealth Avenue and Brighton Avenue host many ethnic restaurants and popular watering holes. The Honan-Allston branch public library, named after the late Boston City Councilor Brian Honan, is a treasure of information and genuine resource for the entire community.

City of Boston Driving and Parking Information

There are approximately 7300 electronic parking meters offering two hours of on-street parking in Boston. In addition, the City of Boston owns and operates 34 municipal parking lots in residential neighborhoods throughout the city that provide off-street parking for residents and short-term parking for customers of local business establishments. A multitude of privately owned parking lots and garages offer another estimated 134,000 parking spaces to Boston drivers.

BTD's "Parking in Boston" report is a component of its Access Boston project and it provides a wealth of information on the topic.

How to Obtain a Resident Parking Permit

Boston's Resident Permit Parking Program is an initiative designed to give residents a better chance of finding an on-street parking space in their neighborhood. Many of the parking spaces on Boston's residential streets are regulated as "Resident Parking Only." A smaller number of parking spaces on these same streets are posted as "Visitor Parking" areas for the guests of neighborhoods residents.

Residents who live in areas where parking is regulated for residents only must apply for a Resident Parking Permit to avoid receiving parking tickets. To **renew** your current permit you may fill out the on-line [renewal form](#) and the new permit will be mailed to you.

Permits are distributed by the **Office of the Parking Clerk, Room 224, City Hall**. Residents, or their representatives, must apply in person Monday through Friday, between the hours of 9:00 AM and 4:30 PM.

You may download the necessary [application form](#) here and bring it to City Hall. In addition to the application form, the following two pieces of information must be presented at the Office of the Parking Clerk when applying for a permit:

- A valid Massachusetts automobile registration showing your car registered and principally garaged in your name from your current Boston address.
- One of the following proofs of residency bearing your name and Boston address. The proof of residency must be current - postmarked within the past 30 days.
 - Gas, Electric or Telephone Bill
 - Cable Television Bill
 - Monthly Bank Statement (excluding mortgage)
 - Credit Card Bill
 - Water and Sewer Bill.

Please call the Office of the Parking Clerk's Resident Parking Division at **617-635-4682** with questions on how to apply for a permit.
